Honorable Jan Galewicz
Consul General of Poland
151 East 67th Street
New York City

Dear Mr. Galewicz:

This letter will introduce Mr. Jacob Seide (Kotzik) who is a charter member of our Jewish Peoples Fraternal Order.

Mr. Seide was born in Poland and is very anxious to visit his native land and to see the new democratic people's nation that is emerging and developing from the ruins of pre-war Poland.

I have known Mr. Seide since the inception of our organization, which he helped to found, and in the last nineteen years since that time he has been one of the most devoted members of our Order. It is therefore with deep pleasure that I make my recommendation on Mr. Seide's behalf that you grant him an entrance visa to Poland.

With many thanks for your cooperation and assistance.

Sincerely yours,

R. Saltzman
General Secretary
